

NEW STAGE LIGHTING AND SOUND

AT

ALL HALLOWS' HALLS, PIERREPONT ROAD, LADY BAY

Installed week of 26 October 2015

Rushcliffe Community and Voluntary Services and Patrick Loftus have helped enormously in securing funding for the new stage lighting and sound from

- **The Awards for All** section of the **Big Lottery Fund**
- **Garfield Weston**
- **Biffa**

This funding has allowed us to facilitate this exciting project.

The modern LED Lighting system and transportable Sound System will reduce operating costs and make it much easier to use for those of us with little or no theatre lighting skills.

We are extremely grateful to all those involved, including co-operation from Rushcliffe Players' Drama Group and All Hallows' Drama Group, without whose help this would not have been possible.

We also thank the Lady Bay Community Fund for their grant towards the cost of our transportable Lighting system.

Tony Wykes

Funding Co-ordinator on behalf of AHHMC
