A joyful celebration of music from Wales and beyond

Alaw unites the talents of three exceptional musicians whose subtle interplay is a joy to watch. Drawing on a wealth of experience they take their audiences on a musical journey - a tune brought back from a tour in Bulgaria or collaboration in India - but at the heart of their set is a passion for the old tunes of Wales. From sublime slow airs to dazzling dance tunes and storming songs, Alaw promises a performance of joyful and life affirming music.

Oli and Jamie are well known throughout the folk world as the frontline of Jamie Smith's Mabon. Dylan is a soloist and recording artist with an international reputation.
